

## ***Interactive comment on “Evaluation of empirical mode decomposition for quantifying multi-decadal variations in sea level records” by D. P. Chambers***

**E. Bevacqua (Referee)**

emanuele@bevacqua.eu

Received and published: 30 January 2015

Sorry,

I was deceived by the error in the names of reviewers (there are two "reviewer1"). My answer is clearly located in answer to the actual "reviewer2")

Best,

Emanuele Bevacqua
