We thank Referee #2 for his/her careful and constructive review on our manuscript. We have uploaded our response as a supplement to this comment. If the editor recommends preparation and submission of a revised manuscript, we will be pleased to incorporate these changes. For clarity in our response, blue font is used for the reviewer's text, black font is used for our text and fonts in *italics* are used for the text that would be included in a revised manuscript.

Please also note the supplement to this comment:
