

Interactive comment on “Scale and space dependencies of soil Nitrogen variability” by Ana M. Tarquis et al.

Ana M. Tarquis et al.

anamaria.tarquis@upm.es

Received and published: 27 November 2016

This is my first time using this system and I want to be sure you can read well everything.

In the supplement file you will find the answer to the three referees, the new version and the certificate of the translator.

Thank you so much for your time.

Please also note the supplement to this comment:
