Received and published: 21 November 2016

Thank you for your comment and suggestions. We agree with your summary and we have accommodated the following section titles changes in our manuscript:

- 1) 2.2 From Luke’s variational principle to Benney–Luke set of equation;
- 2) 2.3 From Benney–Luke set of equations to the Kadomtsev–Petviashvili equation.

Best regards,

Floriane Gidel and Onno Bokhove
