We made use of the latex command `\paragraph` in section 5.3. It was recommended not to use it, and this results in some issues with section numbering in the npg-compiled document. The correct numbering is listed below.

- Section 5.3.4 should be 5.3.3.1
- Section 5.3.5 should be 5.3.3.1.1

C1

- Section 5.3.6 should be 5.3.3.1.2
- Section 5.3.7 should be 5.3.3.1.3
- Section 5.3.8 should be 5.3.3.2
- Section 5.3.9 should be 5.3.3.2.1
- Section 5.3.10 should be 5.3.3.2.2
- Section 5.3.11 should be 5.3.3.2.3

Numbering in section 5.3 will be corrected in the next version of the article.
