Interactive comment on "Sampling strategies based on the Singular Value Decomposition for ocean analysis and forecast" *by* Maria Fattorini and Carlo Brandini

Maria Fattorini and Carlo Brandini

fattorini@lamma.rete.toscana.it

Received and published: 24 September 2018

Dear Editor, thanks for your indications and for all reviewers work. Before submitting a new version of the article we have replied to the most critical questions highlighted by our reviewers. For what concerns the language, we understand the need for a major linguistic revision to improve the quality and clarity of the manuscript. Regarding the content, apart from some minor methodological issues that we will correct, we defend the most innovative aspects of our work.

Maria Fattorini and Carlo Brandini
