Please find enclosed the comments to the Referee concerning the paper titled “Study of an MHD Shell Model forced with Solar Wind data”. The Referee’s comments are in bold, and our answers in regular font. Whenever applicable, the modified portions of the text are included in italics in our response. We have also addressed the editorial comments regarding the figures. Finally, we would like to thank the Referee’s comments. We think the paper is much improved thanks to them.

Regards,

Macarena Dominguez
