

# ***Interactive comment on “Seasonal statistical-dynamical prediction of the North Atlantic Oscillation by probabilistic post-processing” by André Düsterhus***

## **Anonymous Referee #1**

Received and published: 21 October 2019

The introduction would benefit from a paragraph placing the proposed method in context with similar existing methods such as Bayesian Model Averaging, see Williams et al. (2014) <https://doi.org/10.1002/qj.2198> for a review.
